We will guide the students to be mentally and emotionally stronger and to face challenges, overcome obstacles in life and to be a complete woman with ethical, social, spiritual and intellectual values.

I conclude with the words of Ciara,

"Education is everything – Education is your Power; Education is your way of life for whatever you want to do."

With the blessings of Goddess Vasavambha, We at SKPC believe that **We Can Do and We Can make a difference with our actions.**
