3.1   Visualization

Employers' Feedback 2022-2023
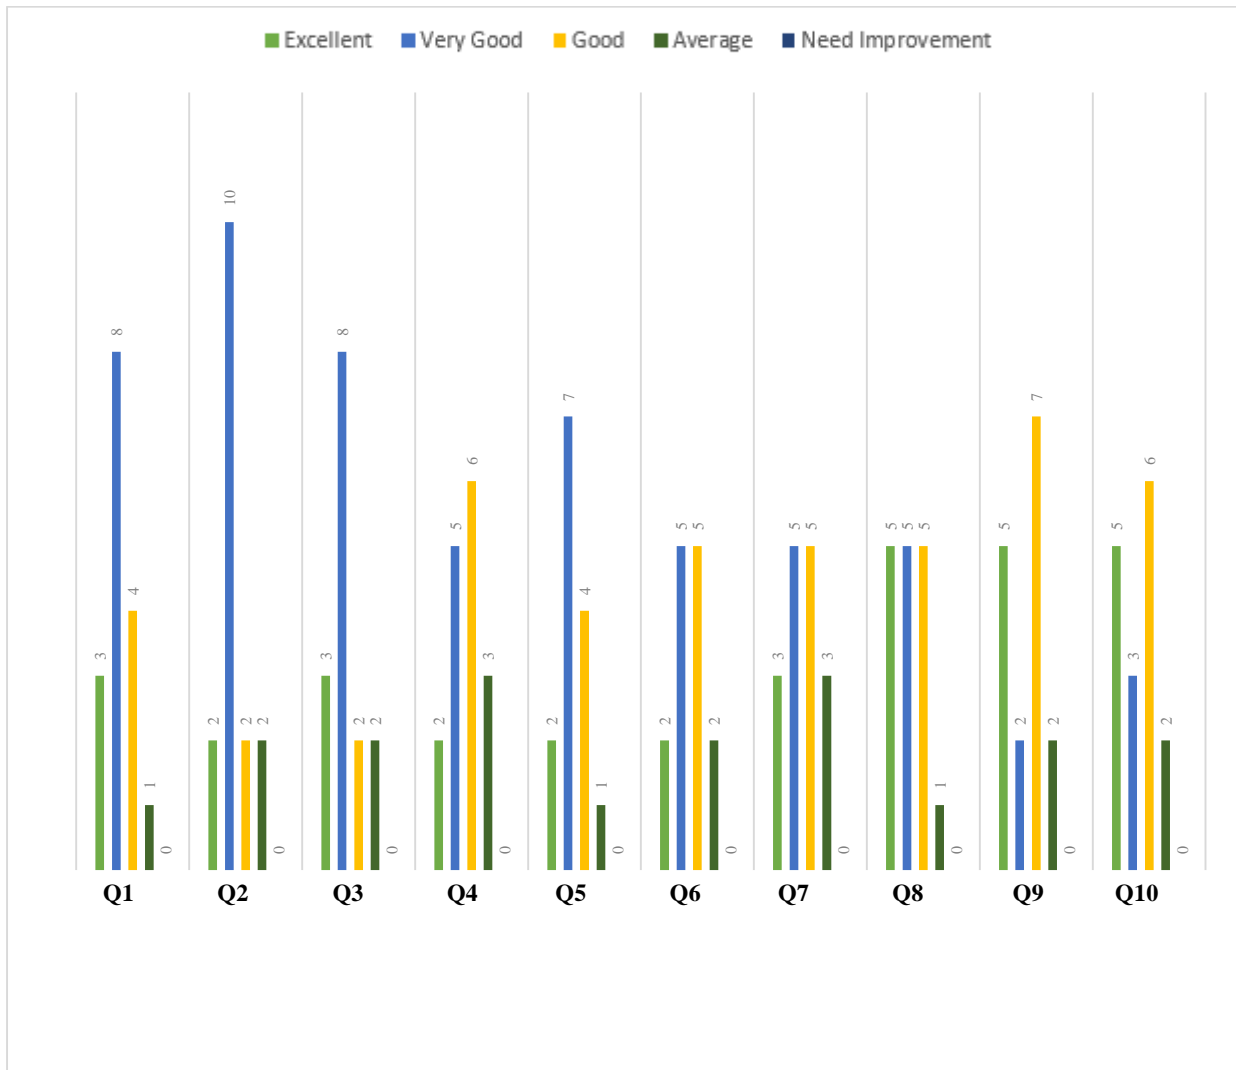

3.2   Summary

It is inferred that overall percentage of performance with "Program syllabus satisfies the industry requirement" has to be improved. The employer's feedback is collected from the Human Resource Managers representing various organizations. The feedback is helpful for developing the curriculum and the quality of the students. Based upon the feedback, the training activities for the students are planned. As the institution is affiliated to the University of Madras, the changes needed for curriculum development will be raised in the academic council meeting.
