

INSTITUTIONAL DISTINCTIVENESS

HEALTH SERVICES

Life without good health is like an army without soldiers . Health is important to live life to the fullest. When a person leads a healthy lifestyle, the body remains healthy and the mind is active and fresh. Living healthy life would extend longevity and also regenerate the body and the mind.

We at SKPC educate and take care of the Staff and students to live a healthy life . This year 2021-2022 our college theme was “Aarogyame Mahabhagyam” - to highlight significance of health.
