## **25<sup>th</sup> COLLEGE DAY REPORT**

**29<sup>th</sup> FEB 2024**

Good evening to the august gathering,

Respected Chief Guest, Ms. Subhashini Narayanan, IFS, esteemed Dharmakarta and President of Devasthanam, Sri. Collah Venkata Chandrasekhar, distinguished Hony. Correspondent, Sri. Vootukuru Sarath Kumar, esteemed Members of Management, devoted Principal, committed Teaching Fraternity, dutiful Administrative Staff, cherished Students, respectful Parents, Well Wishers, and Members of the Media, Ladies and Gentlemen.

Warm greetings to one each of you on this momentous occasion of our College Day.

With the divine blessings of our presiding deity, Goddess Vasavambha, I am honored to present the achievements in academics, co-curricular, extra-curricular, and sports activities for the academic year 2023 - 2024.

Dr. A.P.J. Abdul Kalam has rightly stated, "To succeed in your mission, you must have single-minded devotion to your goal." At SKPC, we firmly uphold the belief that education serves as a catalyst for individual development, particularly in empowering women. It fosters self-reliance and contributes significantly to the progress of families, societies, and the nation as a whole.

Our institution is dedicated to imparting knowledge, instilling skills, and expanding students' vision to perceive the world around them. Through a holistic approach, we equip our students with the tools and perspectives necessary to navigate challenges and make meaningful contributions to society.

### **ACADEMIC EXCELLENCE IN UNIVERSITY EXAMINATION**

In the University Examination held in April 2022, our students showcased remarkable academic performance, reflecting their dedication and diligence. In Shift-I, students achieved an outstanding pass percentage of 99%, while in Shift-II, they attained a commendable pass percentage of 98%. This achievement highlights the commitment of our students and the quality of education imparted at our institution.

A total of 662 students received their degrees across both Shift-I and Shift-II, marking a significant milestone in their academic journey. Their success is a testament to their hard work, perseverance, and the guidance provided by our faculty members.

We take pride in our students' achievements and remain committed to nurturing their academic excellence and overall development, awards, endowments and scholarship

Recognizing students not only bolsters their self-esteem and drive but also cultivates a culture of achievement and respect within the student community. SKPC's Committee of Management exemplifies its dedication to student welfare through a range of initiative

This academic year, our institution embarked on a journey of innovation and enrichment by inaugurating four new clubs: the Leo Club, Hobby Club and Reader's club

**The Leo Club** is dedicated to community service, leadership development, and fostering a spirit of volunteerism among students. Through various service projects and initiatives, members of the Leo Club will contribute meaningfully to society while honing their leadership skills and compassion for others.

**The Hobby Club** provides a platform for students to explore and cultivate their interests outside the academic realm. Whether it's art, music, photography, or any other hobby, this club will encourage students to pursue their passions and develop new skills in a supportive and creative environment.

**The Electorate Club** aims to promote civic engagement and awareness among students. By organizing debates, discussions, and awareness campaigns on political and social

issues, members of the Electorate Club will learn about the democratic process, civic responsibility, and the importance of active participation in governance.

**Reader's Club:** The Reader's Club aims to cultivate a culture of reading and intellectual curiosity among students. Through book discussions, literary events, and book exchanges, members of this club will engage in enriching literary experiences, broadening their horizons and fostering a love for reading

These clubs not only add vibrancy to campus life but also provide invaluable opportunities for personal growth, skill development, and community engagement.

## **CONCLUSION**

In the immortal words of Helen Keller, "Education is not preparation for life; education is life itself." This sentiment resonates deeply with the journey of every student at SKPC, where education is more than just a process of learning—it is a profound experience of self-discovery and personal growth. In the spirit of Mahatma Gandhi's iconic words, "Be the change that you wish to see in the world," our students emerge from SKPC armed with confidence, perseverance, and a steadfast commitment to excellence. They are ready to confront and conquer the challenges that await them, equipped with the tools to navigate the complexities of the world.

Guided by the timeless wisdom of Swami Vivekananda, who said, "Education is the manifestation of perfection already in man," our devoted faculty nurture learning, fostering not only knowledge and skills but also the values that shape individuals into empowered beings.

With unwavering support from our college community and the blessings of the divine, we stand on the threshold of the next chapter of our journey with optimism and determination.

I express heartfelt gratitude to the SKPC Management & dedicated staff for their unwavering support and collaboration throughout this remarkable journey. Together, we celebrate our collective achievements and look forward to embracing the future with confidence and enthusiasm.

Thank you for providing this invaluable opportunity to reflect on our journey and celebrate our shared successes.
